DETAILED ACTION

Response to Amendment

1. The reply filed on June 25, 2004 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): The June 25, 2004 Amendment, though unsigned, is a duplicative of the June 17, 2004 Amendment. Thus, no issue arises from the lack of the signature, as the June 17, 2004 Amendment may be examined. However, the June 25, 2004 Amendment also references two separate applications and four amended claims contained therein from the "Applicant Initiated Interview Request Form" submitted therewith. In particular, these four claims 10, 13, 16 and 19 and the proposed amendments are treated as part of the present Application. However, the Applicant has canceled each of these claims for the present Application. These proposed Amendments appear directed towards the other two separate Applications. It is improper to submit claims from (a) separate pending Application(s) along with a separate Amendment to be reviewed for another Application. Thus, confusion has been generated from this submission. Correction is required. See 37 CFR 1.111. Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. **EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).**

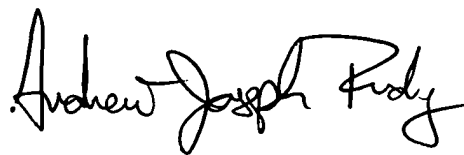

2. Claims 1-9 and 23-34 are pending and still rejected. The merits of the June 17, 2004 Amendment will be reviewed upon appropriate clarification.
